Summary: An imitation of Britney Spears' "Oops, I Did it Again". It's only about 5-10 lines; I know it's short.

Poop, I Did it Again

> <meta name="ProgId"> Poop, I did it again

Poop, I did it again.

I played with your fart, got lost in a flame.

Oh, poopy, poopy.

When will it come out tonight?

I have to go bad.

Oh poopy, poopy.

It smells like roses in light.

We will get married tonight.

Just you and me in the light.

I'm not gonna smell you now.

End
file.
